

Denmark River Probus News

'This newsletter is Private and Confidential for Probus use only and is not to be used for any other purpose'

Hello all,

What a diverse group of people have come together to form Denmark River Probus.

At our first General Meeting we had fascinating glimpses into some of our members lives and have the promise of more stories to come.

At the time this was being written the club had 51 confirmed members.

This month has seen your committee members grappling with the formalities of setting up a new club. I for one did not fully appreciate just how complex the process would be, from the requirement of a specific shade of blue to be used when referring to Probus, negotiating the regulations of incorporation legislation and even more difficult establishing a club bank account.

PRESIDENTIAL ADDRESS

Hello fellow Probusians

Our 2nd (newsletter) is here already, and with our 2nd monthly get-together coming up shortly.

I have to report that we have some new members since our last meeting.

I must say I find it very interesting to hear a brief history of some of our members, and hopefully we can hear some more stories.

Thanks to the efforts of Ralph & Graham, some of us are going to the Banksia Farm in Mt Barker next week, so lets make it a great day!!

See you all on the 5th November

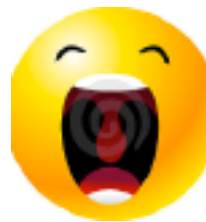

Cliff Jefferson – President.

PLACES I HAVE BEEN I have been in many places, but I've never been in **Cahoots**. Apparently, you can't go alone. You have to be in **Cahoots** with someone. I've also never been in **Cognito**. I hear no one recognizes you there.
I have, however, been in **Sane**. They don't have an airport; you have to be driven there. I have made several trips there, thanks to my friends, family and work.
I would like to go to **Conclusions**, but you have to jump, and I'm not too much on physical activity anymore. I have also been in **Doubt**. That is a sad place to go, and I try not to visit there too often.
I've been in **Flexible**, but only when it was very important to stand firm.
Sometimes I'm in **Capable**, and I go there more often as I'm getting older.
One of my favourite places to be is in **Suspense**! It really gets the adrenalin flowing and pumps up the old heart! At my age I need all the stimuli I can get!
I may have been in **Continent**, but I don't remember what country I was in. It's an age thing.
