GREETINGS PROBIANS!

Woohoo!

We can now meet in groups of up to 10 people, and by Monday, in groups of 20 indoors and 30 outdoors. It is so good to see an easing of the restrictions so that our lives can get back to some semblance of normality.

However, I have to say that, although frustrating at times, I have actually enjoyed the more relaxed atmosphere that the restrictions have imposed upon us. Here I am resting after some hard gardening.

It will be interesting when all the restrictions are lifted, and we are once again free to roam this planet, how willing people will be to travel overseas. After what has happened to some of our fellow residents of Denmark on their recent trip OS, one is more than a little hesitant to be going on similar trips.

We still have some way to go before we will even be let travel beyond our own state borders let alone go overseas; but little by little we will get there.

How is the garden going? My garden has been improving, but I am also discovering how much more there is to do. So I am not going to be looking for something to do for some time, I fear.

What projects have you undertaken lately? See Carmel's suggestion below.

All the best - Joyce

NEXT MEETING

??? AUGUST Maybe???

Our next meeting will depend upon when social distancing restrictions are lifted. So watch this space.

FROM OUR PRESIDENT

The light is shimmering in the distance. Soon you will be free to frolic to your hearts content - well almost anyway.

With the beautiful autumn weather we are having at the moment, it will make the lifting of restrictions all the sweeter.

Robin and Glenys are looking to organise a picnic/BBQ in the park for you all in the coming weeks, just to get things going again.

Something to look forward to, seeing as you will all have lots to talk about and catch up on, whilst being able to maintain our social distancing. Just hope for a fine day.

An old man had 8 hairs on his head He went to the barbers shop Barber asked: Shall I cut or count? Old man smiled and said: "colour it! LIFE is to enjoy with whatever you have with you." Hope you are all safe and well.

BE CONNECTED

Still time to improve your digital skills - there is a free government site especially designed for you:-

Go to the Be Connected Learner Portal which has lots of great content.

https://beconnected.esafety.gov.au/sitemap

This takes you to the site map where you can see how simple and quick the lessons are. If you want to register click up on the top right and put in your email address and a password and choose **Denmark Community Resource Centre** as Name of Support Centre. Denmark Baroque

Something to look forward to is another performance by Denmark Baroque Inc. They have plans to team up with the Darlington String Quartet, who hope to tour the southwest in October, to present works by Beethoven and J S Bach. It is hoped that the concert can take place on Friday, October 16th, 2020.

The DB choir is hoping to commence rehearsals in August. Further details will be forthcoming when known. So watch this space.

WOW CRUISE - cancelled.

- If I had a dollar for every maths exam I failed, I don't know how much I'd have.
- I found a \$20 note outside Woollies this morning and I felt a little bit guilty as I picked it up, so because it's Easter I thought what would Jesus do? So I turned it into wine.
- After dinner my wife asked me if I could clear the table. I needed a run up, but I made it.
